Guidelines:

Zero Film Festival is the first and only festival exclusive to self-financed filmmakers. Your film **MUST** be self-financed.

Please note Zero Film Festival operates in several cities. Please check our website to make sure your entry coincides with the appropriate festival city and the appropriate dates for the call for entry.

We like to personalize the programming process so we kindly request filmmakers to include a cover letter with your entry, detailing premiere status, why you made this film and any noteworthy details we should know before previewing it.

A select few filmmakers from the 2010 program will be invited to include their films in the 2011 North American Tour as well as the possibility of International Screenings and inclusion in the Zero Film Festival DVD.

Along with your submission to Zero Film Festival, you can opt in to the ZFF Early Notice + Written Review, which offers filmmakers a chance to receive feedback about their films. For filmmakers we aren't able to program, it will explain the reasons why as well as provide suggestions for making future projects more program friendly. For accepted filmmakers, it provides feedback and a base from which to gather a press quote. Please contact us directly at info@zerofilmfest.com with ATTN: Programming in the subject line before proceeding with this option.
